

WORLDOX GX

Document Management Has Never Looked Better

O2 Consulting Group recommends, resells, installs, and supports WORLDOX because it is the superior document management product in design, price, features, market-share, industry awards, and client raves.

Design

- Based on the powerful and highly scalable ISYS search engine
- Dual database architecture redundancy and reliability
- No SQL complexity or overhead
- No SQL server single point of failure

Price

- Low per seat cost
- No SQL client software cost
- No SQL server hardware cost
- No SQL server software cost
- No server at all, just a workstation for Full Text indexing
- Lowest priced web-enabled document management solution

Features

- Document profile database and searching
- Full text searching
- Email management
- Reporting tools

New in WORLDOX GX

- File Level Security & Active Directory Integration
- Document Tabs Interface
- Profiling E-Mail By Drag-and-Drop Folders

Market Leader

World Software has over 2,900 total firms of which 2,500 are law firms and legal departments successfully installed and the list is growing. Currently, WORLDOX is adding over 250 new law firms and legal customers per year, and has over 100,000 seats installed.

Scalable

The largest WORLDOX installed law firm sites have:

- Over 3 million documents under WORLDOX management in one database.
- The largest law firm with WORLDOX installed has 1,100+ users.
- The largest single office with WORLDOX installed has over 500 users.
- The firm with the largest number of branches has 10 offices via a WAN running WORLDOX.
- Two of the largest WORLDOX law firms have 500+ and 350+ attorneys, respectively. The first firm is within the Top 100 law firms in the U.S. based on numbers of attorneys.

Versatile

Because of WORLDOX's customizability, it can be adapted to any type of work environment.

WORLDOX has customers in:

Accounting - Education - Engineering

Finance - Government - Insurance

Law Firms/Legal Departments - Medical

Other Industries

Multiple Award Winning

Loved By Its Users

**WORLDGX WINS 2005
Law Technology News**

**Document
Management Award**

Three Years In A Row!

That is no exaggeration. O2 recently manned the WORLDGX's booth at the New Jersey Association of Legal Administrators (NJALA) vendor night and we literally heard visitors to the booth say "We love you WORLDGX". I wish we were not so busy that we could have asked for that in writing, but here is what people have written down:

WORLDGX

in Top 3

International Legal
Technology Association
(ITLA) Outstanding
Vendors Survey

"Installing WORLDGX was one of the best decisions I have made. Like breathing, I often don't have to think about it."

Charles P. Relfe
System Administrator
Starnes & Atchison LLP
Birmingham, AL
120 Users

"The one feature of WORLDGX I use most is full-text searching of documents. With WORLDGX, I can easily obtain the most predictable, accurate results in split seconds searching a very, very large set of documents."

Nicholas J. Yocca
President
Yocca Patch & Yocca LLP
